### **1) Operations**

#### Discussed Renting Wa-Ri-Ki for a July 4th Mini Camp

Agreed to put down the \$650 deposit to reserve the dates. Brian will go down to check out the place and verify the state of the Gym flooring, and propose solutions on return.

Plan is to reserve the dorms for 55 people, as well as the conference center.

#### Overall Timeline for the Year

Looking to open registration by the end of the month, and have our first set of teachers locked in by then so we can start creating marketing materials.

### **1) EarthBody Dances**

#### Adding as an offering

Discussed having Dance Collective Northwest produce a monthly outdoor dance.

#### Bank Account Updates

To support this new endeavor, we would like to create a new checking account, and add Brian Firfer and Thena Seer as signers on the account.
